1940s 1950s Television Broadcast Racks. Vintage Bathtub Racks

Contact for pricing

These are the last two bathtub racks available in the world. These were the genuine racks used to run a television broadcast studio. You will notice that there is an RCA television broadcasting oscilloscope next to them.

Color: as shown

Era: 1940's through 1960's

Function: Dressing only

NOTE: We have more of the internal components available. This means we can build two or three add'l racks and fill them with genuine 1940's/1950s gear if you need them.
