Tactical Gun Locker WITH GUNS

Contact for pricing

Tactical Gun Lockers FULLY STOCKED with replica prop guns. We can provide up to 8 lockers filled WITH guns at \$485 each per week. Or we can provide them WITHOUT guns for \$285 each per week.

These are the EXACT SAME Tactical Gun Lockers used by the US Military, Federal Agencies, Armories, and the same ones used by most Police Stations. They are These gun lockers are stackable. If you stack them, it gives a very dramatic look, with the center area being at a comfortable 4' high, giving easy access to both upper and lower racks. Please see add'l photos to see how it looks with average height soldiers standing next to gun lockers for size comparison.

The lockers look good open or closed, with or without guns. To save money and get a BIG LOOK, you can have a few "hero" lockers filled with guns that are kept open, and the rest of the lockers doors can be kept closed. The audience will assume that they are all filled with guns for a big look. Call RJR Props at 404-349-7600 for more info
