Airplane Set for Filming, Airplane Film Set, Airplane Movie Set

Contact for pricing

737 Airplane Set mounted on a trailer. This airplane interior set is ideal for film use. The airplane can be brought to ANY STUDIO ANYWHERE! Instant Airplane! It travels down the road. There is an add'l charge for transporting the airplane to a different location. Or you can film in our studio in Atlanta to keep costs low.

It is approx 40' long. It comes with a fully functional cockpit, fresh clean lavatory, food galley, 2 working aircraft doors (1 on each side) and rows of seating. It comes with a fully functional cockpit that lights up. Call RJR Props & Studios for more info 404-349-7600. We also have a Large 757 Airliner available, as well as a Private Luxury Jet, and two Helicopters, and a Fighter Jet Cockpit.

This features overhead storage bins, seats, and cabin details. Contemporary airplane seats with personal screens, ideal for commercial aviation scenes, blue upholstery and built-in entertainment image. Detailed cockpit dashboard with instruments and controls that light up. The overhead reading lights are working above each seat. For an add'l charge, we can replace the standard seating with First Class Seating. This is ideal for commercial airplane scenes.

There is RGBWT Cinematic LED Lighting in the cabin (Red, Blue, Green, White, Tungsten). It can be set to

normal daylight white. Or for an add'l charge we can rent you a wireless DMX controller to allow you to control the different zones wirelessly. Most folks just use the normal preset lighting. Please call 404-349-7600 to reserve the 737 Airplane, or for more information.

If you film at our location, Prices start at $650/hr with a 3 hr min. If you get it for 4 hrs or more, it will be discounted down. Call for more info 404-349-7600.
