## Prop Money, \$10 Bills, Distressed Full-Print

### Contact for pricing

This is our most realistic prop money available for film, television, music videos, or photography. This is Standard-Grade Full-Print Distressed prop money. It is printed on both sides, on every bill. \$10 denomination. Each stack is about 1" thick, and it has 100 bills in the stack. It looks just like \$1000. Ideal for scenes requiring realistic cash. It is \$65/stack. If you buy 5 stacks or more, they are only \$58 each, or \$55 each if you pay cash.

Highly realistic prop money. This is your very best choice for Film, Television, Independent film, TV, commercials, music videos, and events. We carefully created this prop money with careful attention to legal requirements. We hand-designed elements of this prop money including our original artwork of the faces, seals, buildings, etc. It looks absolutely real on camera. Please note: It is a Federal Crime to attempt to buy anything with fake prop money. Prop money is legal only if you use it legally in film production, media, and entertainment purposes. We hope you enjoy it! You came to the right place to get the very best prop money!
