Looks VERY realistic. We sell or rent it by the pound. But please do not smoke it or ingest it. It is NOT for internal use. Looks incredibly realistic! Price is only \$195/lb to buy it. We have up to 20 lbs available. To rent it, you will pay \$195, but we will give you back half when you return it on time in good condition. It's MUCH CHEAPER than the real stuff!! And you cannot get in trouble because it's not real. Pls note: We will give you a Certificate of Authenticity to let police and law enforcement know that it's not real.
